# !!! ALERT !!!

Trial Attendees (such as Competitors, Volunteers, and Judges) will be required to comply with any local, state, federal and/or CDC guidelines regarding COVID-19 that MAY be in effect on the day(s) of the trial(s). In addition, Trial Attendees will agree to follow AKC's Suggested Best Practices for the Well-Being of Dog Sport Participants as they pertain to AKC Scent Work Trials.

These recommendations MAY include but are not limited to: travel restrictions, social/physical distancing, hand sanitizing and face masks/coverings. **If you are unable or unwilling to follow the guidelines please do not enter this trial.** Additionally; judges, volunteers and other competitors may be wearing masks/coverings. If your dog is uncomfortable or reactive to persons wearing masks, please do not enter this trial.

There will be **no** indoor crating, all competitors will work from their vehicles. It will be September, which means it could be cold or hot, please keep this in mind when entering and plan accordingly.

The club will run the trial in the most efficient manner possible, which will limit the amount of time that an exhibitor needs to be at the trial site.

The closing date is September 14th - which is 1-1/2 weeks prior to the trials. It is the intention of the club that if the trials need to be canceled due to COVID-19 it will be done prior to the closing date. However, if extenuating circumstances occur (after Sept 22nd) the club retains the right to cancel the trials and advise competitors as soon as possible. If the club cancels the trials, all entry fee payments will be shredded.

Other details about the trial and any additional information regarding COVID-19 and its possible impact on these trials will be updated as we get closer to the trial dates.

## STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

**Staging Area** will be out of view of search area(s). Staging area will include warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

**Warm-up area:** the club shall designate a warm-up area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers in the warm-up area if they choose.

## SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class.

**Search Area Conditions.** Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

**Search Area Sizes** will be as required in the *Regulations for AKC Scent Work*.

## ADDITIONAL SITE INFORMATION

**Trial Site.** It is not appropriate to scout the trial location prior to the trial date. Many search locations are real life environments and such visits may risk the host losing the opportunity to use the location in the future.

This trial location is a county fairground.

The main parking lot is paved, but some competitors may be parking in an adjacent grass parking lot. Pathways to search areas may require you to navigate gravel roads, grass and dirt pathways and uneven ground. The fairgrounds is large and the search areas and parking are spread out so there will be long walks to search areas that will involve moderate elevation changes.

The search areas may include pavement, grass, and woodchip planting areas on level ground, and cement, rock or dirt floors within buildings. Many of the buildings are used to house farm animals during the county fair and other events, and may contain remnants of animal feed and droppings.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

**Possession of Odors and Training.** Chapter 5. Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

**Spectator Area.** We are requesting that no more than one spectator attend each search to help keep us within COVID compliance. Any such spectators must check in and sign a waiver. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge. Spectators are forbidden to discuss details of the search until the completion of the class.

**Indoor Crating Space** will not be available, all exhibitors must plan to crate outside in the parking lot. For safety reasons, all dogs on the trial site must be secured at all times when they are not competing or being exercised (exercise on a 6' or shorter lead). Please bring materials to make your dog comfortable for outdoor crating; whether the outdoor conditions are hot, cold, or raining (plan for all weather).

**Exhibitors are responsible** for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

**RIBBONS, AWARDS, AND PRIZES**

Placement ribbons will be awarded in each class as follows:

<i>First Place</i> .....	<i>Blue</i>
<i>Second Place</i> .....	<i>Red</i>
<i>Third Place</i> .....	<i>Yellow</i>
<i>Fourth Place</i> .....	<i>White</i>
<i>Qualifying Score</i> .....	<i>Dark Green</i>

A **New Title rosette** will be awarded to all dog and handler teams finishing a title.

---

**SILVER SNIFFER AWARD**

To honor senior sniffers, we're offering a Silver Sniffer **rosette**, given to the oldest dog who qualifies each day. If you're competing with a senior dog and would like to be included, please fill out the Silver Sniffer form and include it with your entry. The Silver Sniffer award will be presented during the course of each trial day based on qualifying runs.

All awards and prizes must be claimed at the show as none will be mailed.

All exhibitors should obtain a copy of the Regulations for Scent Work, by downloading them here: <http://images.akc.org/pdf/rulebooks/RSW001.pdf>

## NOTICE TO EXHIBITORS

### SAFETY, BEHAVIOR and LIABILITY

The **safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The St Paul Dog Training Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The St Paul Dog Training Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the St Paul Dog Training Club or any official thereof.

**Collars, Leashes and Harnesses.** During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

**All dogs must be on leash** at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

### REFUNDS

**No entry fee** will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund.

**Bitches in season** will be refunded the full entry fee. Notification in writing, signed by your veterinarian, must be given to the trial secretary no later than **one half hour** prior to the start of the first class of the day of the trial.

### RINGSIDE

**Judges are not required** to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

**EXHIBITOR CHECK-IN:** At check-in you will receive your armband number. Once the time and location for check-in is determined all exhibitors will be notified by email.

**Exhibitors MUST check-in EACH day they are entered.**

Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.

**There will be no food available for purchase at site of trial.**

"Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, clubs should include any specific local or state health requirements; *for* example, proof of rabies vaccination.
